Dear Artist:

We have made a correction to the enclosed registration packet for the Snow Flurries Regatta. The edits include the movement of the event to the Port Clinton Yacht Club and the deletion of extraneous activities on Sunday. On the plus side, PCYC is allowing you to bring a guest. The information below has been corrected and is highlighted below in bold.

The Greater Port Clinton Area Arts Council cordially invites you to a weekend of plein air painting during the **Snow Flurries Regatta** which is happening **October 2&3 at the Port Clinton Yacht Club.**

We are hosting a contest during the event where the winning painting of the regatta will be published on the Snow Flurries Regatta Poster for 2022. The painter will receive a \$275 award for being selected. We will send the work to a professional photographer for image capture, then return the painting to the winning artist. We are hoping that you will be interested in participating in this event.

There is no cost to participate in the event. **Access to the Club is limited to artists and one guest during the event** because of the large number of sailors participating in the regatta.

We are putting together the details for this event yet, but would like to assess your interest in participating. If you could, please contact me at 419.344.6262 (via text or voicemail) with your name, number and interest. You may also contact me via email at: rebecca@marketingworksimaginethat.com

Thank you so much in advance.

Sincerely,

Rebecca Booth
